Agenda

- Welcome and Introductions by **Deborah Lee**, Immigration Program Director- *Interfaith Movement for Human Integrity*
- **Stephen Deal**, *Regional Representative for Central America- Evangelical Lutheran Church in America*
- **Daniella Burgi-Palomino**, *Senior Associate for Mexico, Migrant Rights and Border Issues- Latin American Working Group*

Central America – overall trends

UNICEF Alert on Central American Children (Aug. 2016)

- Apprehension of 26,000 unaccompanied minors + 29,700 persons in family units during 1st six months of 2016
- Data limitations
- Crossings/detentions along the US-Mexico border in FY 2016 are close to FY 2014 levels
- Detentions & deportations from southern Mexico continue at 2015 levels

Central America – root causes

- Poverty and economic desperation
- **Internal displacement & forced emigration because of violence**
- Forced displacement/emigration due to climate extremes
- Family reunification

Violence in Central America

2015 homicide rates in Northern Triangle countries

- El Salvador – 103 per 100,000
- Honduras – 57
- Guatemala – 30

Comparison: El Salvador & 100 largest US cities

Violence in Central America

Northern Triangle cities with highest homicide rates

- San Pedro Sula, Honduras – 111 per 100,000
- San Salvador, El Salvador – 108.5 per 100,000
- Distrito Federal, Honduras – 73.5 per 100,000

Source: Citizen Council for Public Security and Criminal Justice, “Caracas, Venezuela: The Most Violent City in the World”.

Central America – root causes

- Poverty and economic desperation
- Internal displacement & forced emigration because of violence
- **Forced displacement/emigration due to climate extremes**
- Family reunification

Climate Extremes in Central America

- Extended drought is ending (*El Niño*)
- Concern about what the *La Niña* effect might do
- Fear of another extreme weather event like Tropical Depression 12E in Oct. 2011

Our faith and root causes

Guiding principles of ELCA's AMMPARO strategy:
accompaniment, awareness-building & **advocacy**

U.S. engagement with Northern Triangle countries
in Central America

- U.S. should support development, not militarization
- U.S. should involve civil society in implementation and oversight of projects, particularly those organizations who are working directly with the internally displaced & forced migrants
