

Dear Acting Secretary of Homeland Security Chad Wolf, Senior Official Tony Pham, U.S. Senators and U.S. Representatives,

As people of faith from many traditions we uphold that houses of worship should remain sacred and safe spaces of refuge for all people no matter their background, ethnicity, country of origin or documentation status. This long standing tradition of Sanctuary and safe refuge that goes back centuries across different faiths and borders has been violated by the Immigration Customs Enforcement in a clear violation of the agency's own sensitive locations policy. ICE went on church property September 10th to arrest and detain Binsar Siahaan, who serves as the congregation's caretaker and lives with his family on the property of Glenmont United Methodist Church in Silver Spring, MD. The morally atrocious action of crossing the lines of church property not only shows the inhumanity of the policies that continue to attack our immigrant community, but it attacks our freedom of religion to practice our faithful ministry to love and welcome our neighbors.

Binsar is an Indonesian asylum seeker who has lived in the U.S. for twenty-nine years and is a father of two. He has been a member of Glenmont UMC for six years. "Binsar is one of the most devoted, generous, and loyal people I know," Rev. Kara Scroggins of Glenmont United Methodist Church said, "We are baffled and enraged because there is a pending motion on the two parents' asylum case. Binsar is not a flight risk, has no criminal background, and we are asking that ICE free him now and return him to his family and church until his case is heard fairly in court."

As faith leaders, we call on ICE to release Binsar from detention immediately and allow him to proceed with his asylum case. We also call on ICE to release a public statement clarifying and assuring that it will adhere to its own policies and will not enter houses of worship or other sensitive locations such as hospitals, schools, and public religious ceremonies or demonstrations.

We pray for Binsar's freedom now and for our sacred spaces and other sensitive locations to be protected and safe from ICE enforcement actions.

Sincerely,
